ISI BERITA

Merujuk perihal pada pokok berita, bersama ini dengan hormat disampaikan hal-hal sebagai berikut:

1. Kami telah menerima surat pemberitahuan dari Pemerintah Kota Beijing yang pada pokoknya menginformasikan bahwa melalui skema 'Beijing Government Scholarship' pihaknya menawarkan beasiswa untuk belajar di *Beijing University of Chemical Technology* (BUCT) pada tahun akademi 2010/2011.
2. Beasiswa berupa biaya sekolah (*tuition fee*) selama 1 (satu) tahun untuk jenjang studi Strata-1 (*undergraduates*), Strata-2 (*Master*), Strata-3 (*Doctoral*) dan biaya sekolah setengah tahun untuk jenjang lanjutan (*advanced*). Masa studi pada umumnya dimulai pada bulan September dengan pendaftaran pada bulan Juni setiap tahunnya.
3. Program ditujukan bagi pelajar internasional atau mahasiswa BUCT yang berprestasi. Pendaftar harus memenuhi persyaratan umum, antara lain: sehat jasmani, bersedia untuk mematuhi peraturan hukum RRC, memiliki prestasi akademi, serta bukan penerima beasiswa dari 'Chinese Scholarship Council' (CSC); dan memenuhi persyaratan khusus sebagaimana ditetapkan oleh BUCT sesuai jenjang dan program studi yang dipilih.
4. BUCT merupakan salah satu universitas kunci di bawah Kementerian Pendidikan yang termasuk dalam proyek '211'—program Pemerintah RRC untuk membangun 100 perguruan tinggi unggulan di abad 21. BUCT memiliki 10 sekolah (*college*) yang menawarkan program studi (*prodi*) multidisiplin dengan titik berat di bidang iptek dan terdiri dari 42 prodi untuk jenjang S-1, 50 untuk S-2, dan 24 prodi spesialisasi untuk jenjang S-3. BUCT juga telah membuka program S-2 dengan pembelajaran dalam bahasa Inggris, yaitu untuk jurusan Rekayasa Kimia (*Chemical Engineering*) dan *Materials Science and Engineering*.
5. Mempertimbangkan akreditasi akademik BUCT yang telah diakui secara nasional serta mengingat capaian serta kemajuan di bidang iptek yang sangat pesat di RRC, penawaran ini merupakan kesempatan yang sangat baik untuk dapat dimanfaatkan bagi pelajar, pegawai pemerintah, serta kalangan akademik dari Indonesia guna mempelajari dan memperdalam ilmu pengetahuan di bidang tersebut, yang pada gilirannya akan menjadi investasi SDM yang dapat mendukung pembangunan nasional, khususnya di bidang rekayasa dan teknik industri.
6. Sehubungan dengan itu, kiranya informasi ini dapat disebarluaskan kepada pihak-pihak yang memerlukan dan berminat, baik instansi pemerintah, perguruan tinggi maupun pihak lain di Indonesia. Terlampir data pendukung sebagai referensi. Informasi selengkapnya mengenai beasiswa tersebut dapat diakses melalui situs: <http://www.buct.edu.cn>, atau dapat menghubungi alamat sbb: Ms. Julia Zhao, T: +86-10-64434754, 64451480, F: +86-10-64423610, E-mail: zhaoly@mail.buct.edu.cn.

Demikian, atas perhatiannya diucapkan terima kasih.

Beijing, 1 Februari 2010

Beijing University of Chemical Technology
2010 – 2011 BEIJING INTERNATIONAL STUDENTS
SCHOLARSHIP APPLICATION

Beijing Municipal Government has established the "Beijing Government Scholarship" for Beijing University of Chemical Technology to encourage and provide funding assistance for the outstanding foreign students to pursue degree study or further education in BUCT and use it to reward those highly meritorious students who are currently studying at the University. Details of the Beijing Government Scholarship 2010 – 2011 are as the following:

I. Types of awards, value of awards and use of awards

Types of Awards	Value of Awards	The use of awards
Undergraduates	1 year tuition fee	Remission of tuition fees of 2010-2011.
Master students	1 year tuition fee	Remission of tuition fees of 2010-2011
Doctoral students	1 year tuition fee	Remission of tuition fees of 2010-2011
Advanced students	Half year tuition fee	Remission of half year tuition fees of 2010-2011

Please note: Those students who have already been granted "Chinese Government Scholarship" will NOT be considered for this scholarship.

II. Eligibility

1. Applicants shall be the citizens of the foreign countries with which China has established diplomatic relations; they shall be in good physical health and agree to obey the relevant laws of the PRC and the rules of the BUCT, with proven academic excellence.
2. Students applying for undergraduate degree programs at the BUCT shall hold high school certificates or above; applicants for post-graduate degree courses shall hold university degrees or above; those who read for the PhD degrees shall hold master's

VI. How to contact the International Exchange and Cooperation Department of the BUCT

Dear Sir or Madam:

Jan. 11, 2010

Greetings from Beijing University of Chemical Technology !

We, on behalf of Beijing University of Chemical Technology, sincerely wish you happiness, cheerfulness and success. May the cooperation and friendship between us be everlasting.

Beijing University of Chemical Technology (BUCT) is a state key university directly under the Ministry of Education and a key university of the national Project 211. It is a multi-disciplinary university with science and engineering retained as the core disciplines with the addition of arts, law, management and economics to the core curriculum, and has formed the multi-layer personnel training pattern ranging from continuing education to undergraduate education, postgraduate education, doctoral education and the education for international students.

In the past years, your input has always been both noticed and appreciated. In this year, let us look forward to a closer cooperation. As always, we are committed to providing students from abroad with the best education and resources, and new opportunities of English-language Master Program in Chemical Engineering and in Materials Science and Engineering. And we are really happy to enhance information exchange with you and wish you could be a bridge between us and students of your country. You are always welcomed in BUCT. Thank you for your partnership and passion.

I would like to invite you to visit us at your convenient time. Welcome more students from your country to BUCT to study Chinese language or attend degree programs. There are some Beijing Government Scholarship available at BUCT. For more information please contact Julia ZHAO.

Dr. Haiping Geng

Director of International Office

Beijing University of Chemical Technology
